Monthly Featured Product

Andouille Sausage Product Ref 11392
2/6 Pounds Pkgs Per Case
Shared Maintenance \$2.16

This product is like "Little Smokys" Sausages but they are four times as big. The case is a freezer friendly size, which your freezers and the freezers of your clients will appreciate. The sausage itself is heat and serve, and would make an easy meal if placed into a slow cooker. Order a few to try out and see what your clients say: I bet you will be surprised!

Letter From the Director's Desk:

Welcome to September! Enjoy your Labor Day weekend and the beginning of cooler temperatures and fall colors. We are beginning an incredibly busy time of the year, but an important season in our work to care for the hungry in our entire community.

September is Hunger Action Month and is packed with opportunities to raise awareness of the hunger problem and ways to help fight hunger. Getting involved truly does make a difference! There are many options to be an advocate in the fight against hunger, including supporting Hy-Vee's Operation Helpful Smile from September 9 through 22, where the proceeds are donated to the Food Bank. Also, check out all the great ideas on our website included in the "30 Ways in 30 Days calendar" ... the possibilities are MANY! Be sure to visit the "Events" tab on our website. Feel free to print out the calendar and post it to encourage others to get involved!

On September 12 we will host our annual "Celebrate Our Friends" event. This time together is just a small token of our appreciation for our partners in fighting hunger. Please feel free to join us for refreshments, great conversation, and some recognition for extraordinary partners, donors, and volunteers. The event begins at 4 PM and we would love to have you join us!

Please note that our fiscal year ends September 30. That means it's annual inventory time, so we are
